FAX: Senator Debbie Stabenow @ 1-616-975-5764

REGARDING: The deadlock in the senate over approving the judges nominated.

Dear Senator Stabenow,

In the 1750's when the liberty bell was purchased, the saying was "No king but King Jesus!"

Lev 25:10 KJB.

Proclaim LIBERTY throughout all the land unto all the inhabitants thereof.

The second witness is 2 Cor 3:17 KJB

Now the Lord is that Spirit: and where the Spirit of the Lord is,  
there is LIBERTY.

In 1835 during Chief Justice John Marshall's funeral, the Liberty Bell cracked.

Then in the late 1800's the Statute of Liberty was erected and our eyes moved from God's Holy Word to a poem by man.

Exodus 20:1-17 KJB The Ten Commandments were given to us for our blessing and not our curse in 1491 B.C. This has been part of our Judeo-Christian culture for 3,496 years. No other Gods!

On February 29, 1892, the Supreme Court, after reviewing all of the States Historical Documents, declared that this was indeed a Christian Nation.

On September 8, 1892 the Pledge of Allegiance was introduced into the Public Schools.

#### McGUFFEY READERS

In 1928 Henry Ford personally issued a reprint of the six McGuffey Readers (the 1857 edition), which he nostalgically remembered as significant in his own education. He wrote: on page 15 of McGuffey and his Readers ...

William Holmes McGuffey, born September 23, 1800 to May 4, 1873, was considered the schoolmaster of the nation! After his death the National Education Association passed a lengthy resolution on August 7, 1873. (p. 13 & 14)

... His Conscientious Christian Character ...

Saturday Evening Post (p. 15). For 75 years books guided school children in their morality, in their social development and was next to the Bible in their religion. (paraphrased)

In McGuffey's Sixth Elect Reader, 1879, the speech of Paul on Mar's Hill (p. 160) Acts 17:22-34 KJB when they were worshiping the unknown God.

Dozens of chapters from the King James Bible were included in his books, which are today still used by some schools.

### CONTINUING PROBLEMS

Unelected and poorly appointed and approved Supreme Court members have struck down McGuffey's Readers, prayer in the schools, and Bible in the schools.

During World War II, the saying was "Praise the Lord and Pass the Ammunition." Today the courts are wrongly saying Remove the Ten Commandments and the Nativity Scenes which have been a part of our Culture for Hundreds of Years.

We the People ... have been forgotten and God has been forgotten by ungodly Supreme Court members who are activist judges who ignore our Constitution and look to Europe for their decisions.

Like a horse with blinders on, they should only focus on our Creator God, the Holy Scriptures, the Declaration of Independence and our Wonderful Constitution or be impeached.

Congress in 1983 declared this to be the year of the Bible, but activist judges have continued to ignore Congress and the Executive Branch and destroy our Christian nation.

In 1976 for the 200<sup>th</sup> Anniversary of the Declaration of Independence, a special 76 flag was made with 76 in white within a royal blue field.

From 1611 to 1811 (270 years) the King James Bible was used by Washington ... Lincoln ... Garfield. Since 1881 probably 100 English translations have been made. However, "God is not the Author of Confusion." 1 Cor. 14:33 KJB

President Lincoln chose November 19, 1863 for the Gettysburg Address. According to Ezek 11:19 KJB And I will give them one heart, and I will put a new Spirit within you; and I will

take the stony heart out of their flesh, and will given them a heart of flesh:

Ezek 11:20: That they may walk in my statutes, and keep min ordinances, and do them: and they shall be my people, and I will be their God.

please continue to read ...

And in the 2<sup>nd</sup> inaugural address:

... with malice toward none ...

Too much malice exists today in the Congress.

Today we should stop mocking God's Holy Scriptures and God's People and approve of the seven godly persons for the courts.

When cooking, the whole recipe is used, not just 95%.

We have learned from statistics and the bell-shaped curve that 100% of the data is included, since 95% have been approved then the remaining 10 need to be approved by the Democrats, otherwise an imbalance will occur which will skew the court system which is already out of control by being activist rather than following their oath to uphold the Constitution as promised to 'We the People'... ISN'T THIS TREASON?

[www.votesmart.org](http://www.votesmart.org) to keep a balanced membership selects one on both sides of the center line of the bell-shaped curve and equal distance each way from the center line.

If we look in a King James Bible Concordance for the work integrity, it is used only in the Old Testament in several books and is about our proper relationship with God. If we have the proper relationship with God, then we will also have a proper relationship with our fellow citizens.

The Northwest Ordinance includes about the necessity of religion and morality being necessary for good government.

The Constitution states there is no religious test. However, in this Christian Nation integrity cannot be achieved without religion attested to by Washington, Adams, Jefferson and Andrew Jackson.

### ONE PARTY?

It seems, there should be one party: THE CONSTITUTION PARTY!

- The President's oath is to the Constitution. Article II, Section 1.
- Five hundred and thirty-five members of the Congress took an oath to the Constitution as do new citizens.
- Likewise, the Supreme Court members and all lower court members.
- All military officers and civil officers have taken an oath to the Constitution, and according to Article II, Section 4 ... shall be removed from office on impeachment for, and conviction of, treason, bribery, or other high crimes and misdemeanors.

It is not possible to be for something and against something at the same time. Matthew 12:20 KJB And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolations and every city or house divided against itself shall not stand. President Lincoln is often quoted for his house-divided speech which is an application of the Holy Scriptures.

Also Matthew 12:30: He that is not with me is against me; and he that gathereth not with me scattereth abroad. In Luke 11:17 and Luke 9:50 each of the ideas are likewise expressed by the second witness.

Isaiah 9:6 KJB: For unto us a child is born, unto us a Son is given: and the Government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, the Mighty God, the Everlasting Father, the Prince of Peace. Please read 9:7.

Governments is a spiritual gift in I Cor 12:28 and hopefully will bear much fruit.

The Catholic church had a few bad apples and some in management positions; it probably cost the church one hundred and fifty million dollars because they lacked the spiritual gift.

The Congress likewise has some bad apples. For example, we mix a pint of white paint with a pint of gray paint: gray is the result, and the shade of gray depends on the mixture ratio. Note that with compromise the paint cannot remain pure.

A second example is the bankruptcy bill signed recently by the President and written by the credit card companies who use excessive usury, and profits went from about (6) six billion dollars to (30) thirty billion dollars in just a few years. This certainly was not JUST!

If a man has the spirit of our Christian nation (1892 Supreme Court) then he is a new creature.

II Cor 5:17: Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are come new.

#### REGARDING A POOL OF JUDGES (S-146)

Again, this would be like the ninety-five percent/five percent and be incomplete.

Rev 3:16 KJB: So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth.

3:17: Because thou sayest, I am rich and increased with goods and have need of nothing, and knowest not that thou are wretched, and miserable, and poor, and blind, and naked:

I Tim 6:17 KJB: Charge them that are rich in this world, that they be not high-minded nor trust in uncertain riches, but in the Living God, who giveth us richly all things to enjoy;

6:18: that they may do good, that they be rich in good works, ready to distribute, will to communicate ...

6:19: ... that they may lay hold of eternal life.

II Tim 3:16: All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.

Isa 55:8 KJB: For my thoughts are not your thoughts, neither are your ways my ways saith the Lord.

55:9: for as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

And as Vice-President Al Gore said yesterday on C-Span 2, Democrats are also people of faith. He also quoted from Isa 1:18 KJB:

Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.

Again, according to Ezek 11:19 KJB: May we as a people have a heart of flesh and not a heart of stone, and may we have malice toward none, and may we love our enemies:

Psalms 119:97

Matt 5:44

Luke 6:27

Luke 6:35

## LIBERTY AND FREEDOM ARE TWO DIFFERENT AND DISTINCT WORDS

**We the People** ... the sovereign citizens still have some freedom, but we have no true liberty as clearly defined by the Holy Scriptures and statements made by our founding fathers and included in our founding documents:

- The Declaration of Independence
- **We the People** ... our Constitution
- The Bill of Rights
- Re-affirmed by the Gettysburg Address

True liberty has gradually disappeared: by slight of hand, by fraud, by poor word definitions, by trusting our hired representatives (some of whom we elected), and by a lack of eternal vigilance by the Christian citizens of the many States.

**Liberty relates to the bond between our Creator God and mankind – the only thing that leads to real happiness and the joy of eternal life by being born again.**

The Liberty Bell, purchased in the 1750s, is inscribed from the King James Bible:

**“Proclaim liberty throughout the land unto all the inhabitants thereof.”**  
Leviticus XXV.X.

The Liberty Bell is also on the Franklin silver half dollar coin.

From the New Testament, these words are engraved in front of the downtown Detroit Municipal Building, since 1953, and today are in gold letters:

**“Now the Lord is that Spirit; and where the Spirit of the Lord is there is liberty.”** 2 Corinthians 3:17

Both Scriptures pertain to Almighty God, and our forefathers knew this: Patrick Henry, March 23, 1775 after seeing a pastor whipped to death for not having a license said, “Give me liberty or give me death!”

Benjamin Franklin correctly used the word liberty: “They that can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety.”

John Dickinson, Delaware, signed the constitution: "Honor, justice and humanity call upon us to hold and to transmit to our posterity, that liberty which we received from our ancestors. It is not our duty to leave wealth to our children; but it is our duty to leave liberty to them."

Additional Holy Scriptures, which time and space don't allow, would only more strongly bond the concept of liberty and our Creator God Almighty!

In the Declaration of Independence: ...endowed by their Creator with certain unalienable rights, that among there are life, liberty, and the pursuit or happiness.

In the Preamble of our Constitution of the United States:

**We the people** of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the *blessing of liberty* to our ourselves and our posterity do ordain and establish this Constitution for the United States of America.

In the Bill of Rights, Preamble ... to prevent misconstruction or abuse of its powers ... extending the ground of public confidence in the government, will best insure the beneficent ends of its institution.

## ARTICLE V

"...(not) witness against himself, nor deprived of **life, liberty, or property**, without due process of law; ...."

## ARTICLE I

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech."

[Freedom of speech is not necessarily politically correct! Liberty and freedom demand expression of ideas, resolving differences and moving in a direction that is true, honest, and upright in a manner that glorifies God.]

President Lincoln's address at Gettysburg reaffirms liberty: Fourscore and seven years ago our fathers brought fourth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal. ... That this nation, under God,\* shall have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth. (President Lincoln, an attorney, used the word liberty and not freedom.

\*In 1863 – There was one Bible, the King James, and Christian people. The floodgates of immigration hadn't been opened to drown us with foreign and strange religions; Christianity is a relationship with the Creator – oneness – for eternity!

NOTE THAT: Genesis 1:26,27 "God created man in His own image." All men worship something or someone: either our wonderful and Almighty Creator God or gods of their own vain imaginations. The Apostle Paul declared the true God to the Greeks because of the unknown god the men were worshipping. Acts 17:23,24.

LIFE - LIBERTY - PROPERTY should be as inseparable as:

- AIR (oxygen), WATER (hydrogen & oxygen),
- LIVING WATER – John 4:10
- FOOD from the land (property).

The main problem is that in 1828 (53 years after the Declaration of Independence), Noah Webster, who so often used Scripture to define words, did not use Scripture to define liberty. And men have take it upon themselves to use freedom and liberty according to which sounds best and for their own convenience!

Today our major problem is that patriotic church bulletins have been designed with flags and eagles, or that false image: the Statue of Liberty and without God's Holy words from the KJB as our forefathers took such pains to purchase for us -- symbolized with the Liberty Bell in the 1750's. Later, during the War of Independence, our forefathers sacrificed their lives, their fortunes, and their sacred honor.

It is time, for **We the People**\*\*... Today is the hour – NOW – to take a clean sheet of paper for the fourth of July church bulletin covers and re-establish **true liberty**: Old Testament, New Testament, Patrick Henry, Benjamin Franklin, John Dickinson, and our founding documents:

- The King James Bible and Lev. 25:10 and 2 Cor. 3:17
- The Declaration of Independence
- **We the People**
- The Bill of Rights
- The Gettysburg Address

It is time to make that mid-course correction, so that **We the People** can know and understand liberty and our true relationship with our Almighty Creator!

In the year of our Lord Nineteen Hundred and Fifty Four, President Eisenhower signed the law for our flag which specifies Red, White and Blue. A light beam passed through a prism gives a rainbow of colors including a true red and a true blue. My father's flag with forty-six (46) stars has a sky blue field. Today's flag is not according to law and the field is more navy blue and nearly black and does not properly represent the United States.

Moses led the people out of bondage and because of our own lack of vigilance; we are in the process of losing all of our freedoms with the Patriot I and Patriot II fiascos.

Liberty has been stolen repeatedly since about 1947 by our Supreme Court having the gall to mock our Creator God and deny us of God's Word, Bibles in School, Prayers in Schools, etc.

Deuteronomy 28:13 "And the Lord shall make thee the head, and not the tail; ... if that thou hearken unto the Commandments of the Lord thy God, which I command thee this day, to serve and to do them..."

Foreign people with religions have come into our land and the choice was theirs. We should accept them, since they\*\* are already here. However, our language, our customs, our beliefs, our schools and our Christian religion should not suffer and we should be the head and not the tail in the land God provided to our forefathers!

\*\*Leviticus 19:34 "...Thou shalt love him as thyself. For ye were strangers in the land of Egypt. I am the Lord your God."

Numbers 15:16 "One law and one manner shall be for you and for the stranger that sojourneth with you." The stranger could adapt to Israel's customs but was not there to change their customs!"

I pray that this shot may be heard across our nation and around the world as Christians reclaim the ground Satan has stolen and that God may pour out HIS SPIRIT IN THE LATTER RAIN ACCORDING TO Joel Chapter two.

Caleb and Joshua believed God. The midwives believed God and Moses was born. Jonah followed God and in three days Nineveh was saved. By faith four were in the fiery furnace – Hebrews 11:6. But without faith it is impossible to please Him: for He that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him.

## LOSING AMERICA AND LIBERTY

- Senator Robert Byrd's book "Losing America" details many of our problems.
- Liberty is lost when the Holy Spirit of God is removed from the classroom, from the people and from our land, and when poems become more important than God's word, the Holy Scriptures.
- Liberty is lost when the U.S.S. Liberty was attacked in the 1970's: many killed and many wounded survivors told to remain silent about this abominable event.
- God spelled backwards is dog, but when a dog is named Liberty it mocks our Living God.
- Liberty is God's spirit in man after he becomes truly born again.
- God is not mocked. Gala 6:7: Be not deceived, God is not mocked: for whatsoever a man soweth, that shall he also reap.
- When KLA007 with 61 Americans were lost and a total of 269 people (my area code is 269) forced down in Russia. And all we did was say "that evil empire." Congressman Larry McDonald was born in 1935 and is still MISSING. I was also born October 29 1935 six years to the day the Great Depression began and six years before Pearl Harbor.
